

## How to Set Up your SimplyE Account on your iPhone

1. Download the **SimplyE** app from the Apple app store.
2. Open app and click **Find Your Library**.
3. Find and click **Howard County Library, TX**.
4. Click **Settings**, bottom right corner.
5. Click **Accounts**.
6. Click **Howard County Library, TX**.
7. Enter the last 7 digits of your library # as the **Barcode** and your library account password as your **PIN**. Call us if you need help finding your library card number and password. Click **Log In**.
8. We recommend choosing **Enable Sync** when prompted.
9. Click **Catalog** to get to the search page—bottom left corner.
